

Ector Baptist Church

Volume 15, No. 1

Morris Cook, Pastor

January 2009

I WAS JUST THINKING.....Happy New Year! 2009 is here and the Lord had laid out in front of us 365 blank days for us to fill in. It is time to look ahead and plan our year!

If you could have one wish for the New Year, what would it be? Mine would be for me to grow closer to the Lord. If my focus can be on the Lord, everything else will fall into its proper place. He is the Lord of all. He is the giver of every good and perfect gift. He is the ruler of the Universe. He knows everything. Why don't I just go ahead and trust Him with every part of my life?

When we acknowledge His Lordship we find that He makes a difference in our family life, our work life, our school life, our social life, our economic life, etc. His plans are to spiritually prosper us and to prepare us for eternity. Why don't I just go ahead and trust Him with every part of my life?

I have made a commitment to try to knock on every door in Ector in 2009. There is not a person in Ector for whom Jesus did not die. There's not a person in Ector that God does not love with an everlasting love. There is not a person in Ector that is outside of God's scope. Why don't I just go ahead and trust Him with every part of my life?

Have you made your New Year's resolutions? Why not include growing closer to the Lord? And while you're at it, why don't you just go ahead and trust Him with every part of your life?

Bro. Morris

Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.

Proverbs 3:5-6
